## APAAACI 2023 International Conference

The Innovation Revolution: Allergy,  
Asthma and Immunology

23 - 26 OCTOBER 2023  
SINGAPORE

### CONFERENCE DAY 1: 23 OCTOBER 2023

TIME	CONFERENCE DAY 1: 23 OCTOBER 2023			
07:45 - 09.00	Breakfast Symposium With Welcome Reception			
09:00 – 10:30	Plenary Session 1: Anaphylaxis and Food Immunotherapy			
09:00 - 09:30	Hidden Dangers: Recognising Excipients in Drug Induced Anaphylaxis   Lene H Garvey, Denmark			
09:30 - 10:00	Improving Safety and Efficacy Outcomes In Oral Immunotherapy   Mimi Tang, Australia			
10:00 - 10:30	Current Advances in Immunotherapy for Food Allergy   David Fleischer, USA			
10:30 – 11:00	Coffee Break & Poster Viewing			
11:00 -12:30	Symposium 1 TAACI - Taiwan	Symposium 2 Rhinitis and Chronic Rhinosinusitis	Symposium 3 Atopic Dermatitis	Oral Presentation 1
		Eosinophilic Chronic Rhinosinusitis With Nasal Polyps Luo Zhang, China	Biologics treatment in Atopic Dermatitis Yew Yik Weng, Singapore	
		Biologics For Chronic Rhinosinusitis and Nasal Polyposis TBC	Skin Care in Atopic Dermatitis Duy Le Pham, Vietnam	
		Surgical Management for Severe Persistent Rhinitis Neville Teo, Singapore	Atopic Dermatitis in Childhood Mark Koh, Singapore	
		AERD and Nasal Polyps Dong Young Kim, Korea	Chronic Infections in Atopic Dermatitis Kent Woo, Malaysia	
12:30 - 14:00	Industry Sponsored Symposium Symposium 1	Industry Sponsored Symposium Symposium 2	Industry Sponsored Symposium 3	
14:00 - 15:30	Symposium 4 EAACI-APAAACI	Symposium 5 Cutting Edge Advances in Asthma	Symposium 6 Microbiome, Nutritional Factors and Prevention of Allergy	
		Digital Health and Asthma Monitoring I Jen Wang, Taiwan	Insights From Cutaneous Microbiology on Treatment And Prevention Of Childhood Eczema Ting Fan Leung, Hong Kong	Oral Drug Provocation - Single Dose or Multidose - TBC
		Asthma and Viral Infections Anne Goh, Singapore	Diet, Nutrition and Prevention of Allergy Carina Venter, USA	
		Air Pollution and Asthma Munkhbayarlaah Sonojams, Mongolia	Early Life Microbiota Dysbiosis and Allergic Diseases Harald Renz, Germany	
			Prebiotics and Probiotics in Allergy Management Chiang Wen Chin, Hong Kong	
15:30 - 16:00	Coffee Break & Poster Viewing			
16:00 - 17:30	Symposium 7 TAC-APAAACI Closing The Gap in Asthma Care: Thailand's Perspectives and Beyond	Symposium 8 Current Advances in Food Allergy	Symposium 9 Drug Hypersensitivity	Oral Presentation 2
	Opening Remark - Orapan Poachanukoon, Thailand	The Practical Use of Component-resolved Diagnostic in Food Allergy Agnes Leung, Hong Kong	Implication For Clinical and Pharmacogenomics And Precision Medicine - Chonlaphat Sukasem, Thailand	
	Role Of Diet, Sleep, And Exercise for Asthma And Human Well-Being? - Santi Silairatana, Thailand	Oral Immunotherapy in Wheat Allergy Pakit Vichyanond, Thailand	Penicillin Delabeling: Pros and Cons - Michaela Lucas, USA	
	Bronchial Thermoplasty in Severe Asthma: 5-Year-Experiences In Thailand - Thitiwat Siriprasart, Thailand	Recent advances of Probiotics in Atopic Dermatitis and Food Allergy- Jiu Yao Wang, Taiwan	Challenges in Management of Anti-TB drug hypersensitivity - Bernard Thong, Singapore	
	From Global to National Asthma Guidelines for Clinical Implementation? - Theerasuk Kawamatawong, Thailand	Current Consensus in the Management of Cow's Milk Allergy - Anna Nowak-Wegrzyn, USA		
17:30 - 18:00	Opening Ceremony & Awards Recognition			
19:00 - 22:00	Welcome Reception

# APAAACI 2023

## APAAACI 2023 International Conference

The Innovation Revolution: Allergy,  
Asthma and Immunology

23 - 26 OCTOBER 2023  
SINGAPORE

TIME	CONFERENCE DAY 2: 24 OCTOBER 2023			
07:45 - 09:00	Meet The Professor Session 1 Airway Allergy	Meet The Professor Session 2 Drug Hypersensitivity	Meet The Professor Session 3 Food Allergy	
	Controversies in Allergen Immunotherapy	Challenges in the Evaluation of Drug Hypersensitivity	Challenges in Diagnosis and Management of Food Allergy	
	TBC	TBC	Lee Bee Wah, Singapore	
09:00 – 10:30	<b>Plenary Session 2: State of the Art Management of Airway Allergy</b>			
	Real World Evidence in Asthma Management   G. Walter Canonica, Italy			
	Severe Asthma Registries and Management   Francesco Blasi, Italy			
	B-Cell Tolerance and Immunotherapy   Mubeccel Akdis, Switzerland			
10:30 – 11:00	Coffee Break & Poster Viewing			
11:00 -12:30	Symposium 10 ACAAI-APAAACI Allergens We Eat, Breath and Touch	Symposium 11 Hot Topics in Paediatric Allergy	Symposium 12 Advances in Hereditary Angioedema (HAE)	Oral Presentation 3
	Food, Glorious Food, Theresa Bingemann, USA	Rare, Medium or Well-Done, Does It Matter in Peanut Allergy Mona Kidon, Israel	Perspectives of HAE in Asia Pacific Philip Li, Hong Kong	
	Inhalants In Every Breath We Take: Cherie Zachary, USA	Climate Change and Allergies in Childhood Lynette Shek, Singapore	Diagnostic Challenges in HAE Michihiro Hide, Japan	
	Allergies To Pleasures in Life: Luz Fonacier, USA	Geographical Disparities in Allergy—Lessons from Cohort Studies Elizabeth Tham, Singapore	Novel Therapies in HAE Marcus Maurer, Germany	
		Controversies in Allergy Prevention Liew Woei Kang, Singapore	Management Of HAE In the Resource Constraint Settings Ankur Kumar Jindal, India	
12:30 - 14:00	Industry Sponsored Symposium Symposium 4	Industry Sponsored Symposium Symposium 5	Industry Sponsored Symposium 6	
14:00 - 15:30	Symposium 13 Immune Tolerance and Immunotherapy	Symposium 14 Vaccine Immunology	Symposium 15 APAPARI - APAAACI	
	Molecular Mechanisms of SLIT and SCIT Mohamed Shamji, USA	Unusual Adverse Reaction to Vaccines Kiat Ruxruntham, Thailand - TBC		
	Novel Biomarkers in Allergen Immunotherapy Menno Van Zelf, Australia	What SARS-CoV-2 taught us about vaccine immunology Zhong You Jia, Singapore		
	Current Recommendations in AIT and long-term Outcomes - Pongsakorn Tantilipikorn, Thailand	Evaluating Immunologic Responses after Vaccination Rommel Lobo, Philippines		
	The Current, Frontline Practical Aspects for Immunotherapy - Soh Jian Yi, Singapore	Vaccination Program in Asia Pacific Iris Rengganis, Indonesia		
15:30 - 16:00	Coffee Break & Poster Viewing			
16:00 - 17:30	Symposium 16 FOCIS-APAAACI Federation of Clinical Immunology Societies	Symposium 17 Contrast Media and Insect Venom Allergy	Interactive Session 1 Theme: Beta Lactam Allergy	
	Integrating single cell RNA-seq and high throughput TCR seq to understand human organ transplant outcomes- Megan Sykes, USA	Mechanisms of Contrast Media Allergy Hye-Ryun Kang, Korea	Case Presentation - Samuel Lee, Singapore	
	Novel immune-based treatments in allergy improving our insight in relevant pathomechanisms. Edward Knol, Netherlands	Evaluation of Contrast Media Allergy Tan Sze-Chin, Singapore	Role of Diagnostic Testing in Beta-Lactam Allergy Grace Chan, Singapore	
	Tissue resident immunity in Transplantation. Michaela Lucas, Australia	Diagnosis of Hymenoptera Allergy Leong Khai Pang, Singapore	Role of Allergist in Anti-biotic Stewardship Justina Tan, Singapore	
		Insect Venom Immunotherapy Ticha Rerkpattanapipat, Thailand - TBC	De-labeling Penicillin Allergy in Children Chong Kok Wee, Singapore	
19:00 - 22:00	Faculty Dinner

## APAAACI 2023 International Conference

The Innovation Revolution: Allergy,  
Asthma and Immunology

23 - 26 OCTOBER 2023  
SINGAPORE

TIME	CONFERENCE DAY 3: 25 OCTOBER 2023			
06:30 - 08:30	APAAACI FUN Walk/Run			
09:00 - 10:30	Plenary Session 3: Environment and One Health			
	<b>Epithelial Cell Barrier Hypothesis and the Environment</b>   Cezmi Akdis, Switzerland <b>The concept of One Health in Allergic Diseases and Asthma</b>   Ioana Agache, Romania <b>Climate Change, Planetary Health and Lifestyle Diseases A Call to Action</b>   Ruby Pawankar, Japan			
10:30 – 11:00	Coffee Break & Poster Viewing			
11:00-12:30	Symposium 18 WAO - APAAACI	Symposium 19 Current Updates in Chronic Urticaria	Symposium 20 Anaphylaxis and Mast Cell Disorders	Oral Presentation 4
		Case Presentation Karen Choo, Singapore The Burden and Spektrum of Urticaria Amir Hamzah Abdul Latiff, Malaysia EAACI/GA²LEN/EuroGuiderm/APAACI Guidelines on Management of Urticaria- Marcus Maurer, Germany When To Do Skin Biopsy? Lim Yen Loo, Singapore	Evaluation of Idiopathic Anaphylaxis Marianna Castells (virtual) Mimics of Anaphylaxis Sara Barnes, Australia How To Recognise Mast Cell Disorders Knut Brockow - TBC Update on Treatment of Mastocytosis - TBC	
12:30 - 14:00	Industry Sponsored Symposium 7	Industry Sponsored Symposium 8	Industry Sponsored Symposium 9	
14:00 - 15:30	Symposium 21 APAACI Junior Member (Paeds)	Symposium 22 Eosinophilic Diseases	Symposium 23 Drug Reactions and Severe Cutaneous Drug Eruption	Oral Presentation 5
		Eosinophilic Gastrointestinal Diseases: Pathogenesis, Diagnosis and Treatment - Amal Assad - TBC Common Eosinophilic Diseases in Children Takao Fujisawa, Japan When to Suspect Hypereosinophilic Syndrome TBC Eosinophils as Biomarkers in Asthma Chang-Keun Kim, Korea	Management of DRESS Kenji Kabashima, Japan Management of SCAR and SCAR registry in Singapore Lee Haur Yueh, Singapore Skin Reactions to New Immunomodulatory Drug Tang Min Moon, Malaysia	
15:30 - 16:00	Coffee Break & Poster Viewing			
16:00 - 17:30	Symposium 24 APSID-APAACI Primary Atopic Disorder	Symposium 25 APAACI Junior Member The Multiple Facets of Allergies		Oral Presentation 6
	Inborn Errors Of Immunity Associated With Atopy - Mao Hua Wei, China Hyper IgE Syndrome Amit Rawat, India STAT6 GOF Mutation Narissara Surattanon, Thailand Diagnosis and Management of Primary Atopic Disorder Hirokazu Kanegae, Japan	The Approach to Allergic Rhinitis Management in Asia - Cathy Aquino, Philippines Adult Immunodeficiency: A Practical Guide for Immunologists - Lim Xin Rong, Singapore Non-IgE-mediated Food Allergy: Evaluation and Management - Kuan Wen Su, Taiwan A Multidisciplinary Approach for Penicillin Allergy Labeling - Valerie Chiang, Hong Kong		
17:30 - 18:00	Closing Ceremony
